

MEMORABILIA GUIDELINES

The Martin County Historical Society plans to display memorabilia during the 250th anniversary of Martin County. Hopefully, multiple displays will be possible.

The following guidelines should help define our plans.

- Someone will be glad to sign for receipt of your item.
- Items will be on display for a limited time. At the end of a designated display period, all items will be returned.
- Whenever the memorabilia and artifacts are displayed, they will be SUPERVISED. There will always be someone present to assure the safety of loaned items. One site for display is the Old Martin County Courthouse.
- We hope to have multiple “themes” during the year. For example, there may be a “Civil War/Reconstruction” theme, World War I, World War II, photographs and memorabilia from closed schools, arts and crafts, old kitchen and home utensils, and others.

If you have old videos and/or photographs of events in the past, these can be shown on the Historical Society [YouTube](#) and [Instagram](#) pages.

If you wish to loan items or have suggestions for displays by the Historical Society, you can email info@martincountynhistoricalsociety.org or call 252-508-9441 and leave a message. Also, you may use these methods to contact us if you wish to help!
